CHATEAU HERÁLEC OŠETŘENÍ TĚLA S RŮŽEMI PRO NI

Vůně čtyř královen: Grasské, Bulharské, Marocké a Turecké růže – oblíbené růže legendárních královen Forcalquier z Provence, vítá moderním květinovým závojem ty, které se rozhodnou absolvovat tuto výjimečnou cestu uvolnění a relaxace. Speciální procedura, vyvinutá společností L'Occitane pro Chateau Herálec, jehož symbolem je pětilistá půlená růže, je kombinací nejlepších osvědčených masážních technik. Využívá unikátní výtažky z růží a růžové vody, získané destilováním květů, které jsou po dlouhá léta ceněny pro své uklidňující a osvěžující účinky. Krém, bohatý na vyživující olej z hroznových jader, se rychle vstřebává a zanechává pokožku jemnou na dotek.

CHATEAU HERALEC ROSE BODY TREATMENT FOR HER

The legendary queens of Forcalquier from Provence favored the scent of the rose – specifically that of the '4 queens': the Grasse, Bulgarian, Moroccan and Turkish roses. It is the rose that is the key component of this relaxation experience. This special procedure, created by L'Occitane especially for Chateau Heralec, is a tribute to the 5-petal Heralec rose and a combination of the best massage techniques. It uses unique extracts from roses as well as distilled rose water that has been praised for its calming and refreshing effects. The lotion rich in grape seed oil also quickly hydrates the skin, leaving it beautifully soft.
